

Study at Osaka University in English

~March 28-31, 2021~

We invite prospective international students to join our online information sessions with our professors from Graduate Schools of Science and Engineering. Great opportunity to learn about English programs at OU directly from the professors and meet the current international students!

Contents

- ✓ Introduction to the research areas
- ✓ Virtual tour of laboratories
- ✓ Programs in English
- ✓ Q&A with professors and current international students

FREE!
